International Days at University of Wrocław

On the occasion of the 10th anniversary of the Institute of Journalism and Social Communication at the University of Wrocław, Communication Management students are organising a second edition of the International Day event. However, this year we thought that the more the better and instead of just one day of cool events, we will have almost a week.

The goal of our event is not only celebration and smart education but also the idea of cooperation, diversity and multiculturalism. Furthermore, as our event will be held in English, we would like to take this opportunity and promote our University as a perfect place for anyone interested in studying in this language.

As we are an international team, we have minds full of ideas and in order to create an amazing and quaint event, we decided to prepare a couple of attractions. Thus, we invite anyone interested in joining us and taking place in:

Intercultural Workshops (27-28 March 2017)

We have prepared for you an opportunity to learn something interesting, gain new competencies and broader view on the varied intercultural topics. All of this in a friendly and cooperative atmosphere. We will talk about Polish humour, cultural sensitivity in business environment, and work on intercultural competences. All workshops will be conducted by our lecturers.

Movie Night (29 March 2017)

A journey with moving images that will tell you a story of three different adventures from different corners of the world. We will screen: Path Finder (directed by Jakub Klawikowski, 2015), Welcome to Norway (directed by Rune Denstad Langlo, 2016) and Rolling Stones 'Olé Olé Olé!: A Trip Across Latin America' (directed by Paul Dugdale, 2016). Jakub Klawikowski will be also our special guest.

Coffee Gathering (30 March 2017)

A time and place where you can brew your own coffee. Our guests will have the opportunity to learn different methods of coffee brewing. They will also take part in master-class of coffee cup-tasting.

AfterParty (30 March 2017)

To sum up the International Days, after four days of exciting and entertaining activities we would like to have even more fun and strengthen the friendships made during the party.

Stay tuned for more.
